This board game is best played in **pairs**. Each student needs **one eraser** (or something small). The aim of the game is to move your eraser all the way around the world – One student will move their eraser **clockwise** around the world, and the other, **anti-clockwise**.

**HOW TO PLAY:**

1. Place the erasers where it says ‘**START**’.
3. The winner can move their eraser to the next square.
4. Look at the picture in the square and ask and answer the question with your partner.

The **winner** is the first to move their eraser all the way around the world.
How’s the weather?
It’s **sunny**.
